

rlaxx TV launches further FAST streaming channels with FUNKE

Kiel, July 29th, 2024 – Starting July, the free streaming service rlaxx TV has been supplied with a range of additional FAST streaming channels from FUNKE Digital. With this cooperation, the FAST streaming landscape in Europe is getting plenty of backup. The new channels that will be distributed on rlaxx TV via FUNKE Digital include: Focus TV, Netzkino, Spiegel TV, Just Cooking, just.fishing, Tierwelt Live, xlpore and more. A further delivery of new channels is planned for a later date.

In addition to managing the channels under the FUNKE Channels umbrella brand, FUNKE Digital also acts as a full-service provider for over 40 channels in 15 countries. The company offers content producers and network operators comprehensive support in distributing and monetizing high-quality video content on leading FAST TV platforms such as rlaxx TV and on the portals of FUNKE Mediengruppe.

"Good content, and thus our content partners, are at the heart of our success. Through the cooperation with rlaxx TV, we are pleased to be able to provide further reach in Europe," says Claudia Schroeder, Director Video & TV at FUNKE Digital.

"As the first German, yet global, AVOD service, we are honored to cooperate with Funke Mediengruppe. Together we will stream outstanding content into European living rooms and ensure that viewers can watch content perfectly tailored to their needs free of charge," says Teresa Lopez, VP Content Partnerships at rlaxx TV.

With over 100 FAST channels worldwide, rlaxx TV is one of the leading free TV alternatives on the market and is already represented in 27 countries.
